

HOUSE RULES

Free registration is required to enter the Extreme Sport Park of Debrecen in addition to accepting and complying with the policy.

Everyone may use the pitches only at their own risk, according to their abilities and for their intended purpose, with due regard for their own safety and that of others. The Operator accepts no responsibility for any injuries or accidents occurring during the use of the pitch.

1) The BMX track is for BMX bikes only. When using BMX bikes, metal exits must be removed or protected. Metal pedals must be replaced with plastic pedals. The track may only be used with bicycles equipped with plastic handlebar end caps and plastic pedals. Any other equipment: scooters, roller skates, skateboards, other bicycles, etc. are forbidden on the track.

The skateboard track is only for skateboard, streetboard, extreme roller skates and scooters (in case of scooters: only scooters with plastic edge protection and handlebar ends manufactured for extreme sports). The use of any other wheeled equipment (motorbikes, wheeled bags, fitness skates, other bicycles, etc.) is strictly prohibited on the track area! It is forbidden to enter the track with any equipment that damages the track.

The trials course can only be used with special trials bikes. It is particularly important that the bike is in a good, up-to-date technical condition (especially with regard to brakes and gearbox).

The advanced pump track can only be used by bicycles that are properly operated in a safe manner. To avoid accidents, bicycles with rain and/or rear brakes are recommended for use on the track. The beginner pump track can also be used by pedal bike. Motorbikes and electric bicycles are NOT allowed on the pump tracks. The starting and the advanced pump tracks are to be used separately. In the event of an accident, a fall or any other obstacle to progress, it is compulsory to report it to the other athletes on the pump track, who must stop.

2) Children between the ages of 8 and 12 can only stay in the park and use the tracks under the supervision of a parent or coach. Children under the age of 8 can only stay in the park and use the tracks with an athlete competition license issued by the sports association operating the competition system of the given sport, under the supervision of a coach. Children between the ages of 12 and 16 can only play sports in the park with written parental consent.

3) A maximum of 100 people can stay in the park. The operator may limit access above the maximum number of visitors, with the exception of events and organized sports events.

4) Standard safety helmets must be worn when using the pitch, and all other protective equipment such as knee, leg, elbow, back, chest, etc. is recommended.

- 5) A limited number of athletes may use each track at the same time. The exact number of players is indicated in the rules and regulations posted next to the pitch, which must be observed in all cases! In the event of congestion, competition, photography, filming, please pay extra attention to each other!
- 6) The user of the track is responsible for accidents caused by the unsuitability of the vehicle and the poor quality of the equipment used. Damage resulting from improper use is the responsibility of the track user. The lessee or user must immediately notify the operator's representative of any accident or damage.
- 7) Only athletes using the track are allowed in the areas occupied by the track elements. Spectators may stay outside the track at their own risk and at a safe distance from the track. Live animals are not allowed on the track!
- 8) Before use, the user must check the integrity and cleanliness of the pitch and its elements. If he/she notices any change in condition, defect, damage or deterioration, he/she must immediately notify the track operator using the contact details below and draw the attention of other users to the defect or damage. Only play sports on a clean and intact pitch!
- 9) The BMX, trials, pump track and roller track are slippery when wet, therefore it is strictly forbidden to use the elements of the tracks in rainy, wet, frosty or snowy weather and it is dangerous to cause an accident! The tracks may only be used in dry conditions! Exceptions to this rule may be made in the case of sporting activities within the framework of organised training sessions, where the coach(es) responsible for the safety of the participating athletes has (have) deemed the pitch suitable for sporting use and usable. The pitches of the Extreme Sports Park may only be used in good visibility conditions!
- 10) Trails may only be used for their intended purpose. Damage resulting from improper use or intentional damage must be compensated by the person who caused the damage.
- 11) It is strictly forbidden to hide under or between the track elements! Any behaviour that is offensive or dangerous to others is strictly prohibited throughout the park.
- 12) It is strictly forbidden to place any other elements, jumps or objects in the park and to make any modifications to the existing elements.
- 13) The entire park is a non-smoking area! It is also prohibited to consume alcohol or drugs on the premises or to use the course under the influence of alcohol or drugs.
- 14) No food or drink is allowed in the areas occupied by track elements! Please take care of the cleanliness and integrity of the park and its surroundings! Please pay particular attention to the cleanliness of the surface of the pitch elements and do not pollute the surface (gravel, mud, spit). It is forbidden to bring into the park objects that are not directly necessary for playing the sport.
- 15) It is forbidden to bring mobile phones, glasses without headbands, drink bottles, long scarves, and other objects that fall, roll or fall out of pockets, thus causing an accident, into the area occupied by the course elements!
- 16) Please note that there are CCTV cameras in and around the park.
- 17) We inform our guests that pictures and videos can be taken on the territory of the park for the purpose of property protection, facility insurance, event organization, as well as marketing and promotional publication. The processing of image and video recordings is carried out in accordance with the legal requirements for data protection and data security in force, in accordance with the internal regulations of the Operator.
- 18) Unauthorised access to a sports facility outside opening hours may result in criminal prosecution.

19) Please note that we cannot be held responsible for any objects or equipment left unattended or abandoned. However, if you find lost or abandoned objects or equipment, you can drop them off at the Debrecen Ice Hall reception.

20) The Operator reserves the right to organise private or ticketed events. In the case of an event, the use of the course may only take place in accordance with the rules and regulations of the event.

21) It is forbidden to carry out any advertising activities in the park! In the case of sponsorship, the Operator may authorise the display of advertising material on the track and its immediate surroundings.

22) Instruction, personal or team training in the Extreme Sports Park, whether or not for a free, independent of the Operator's activities, is only possible with the express written consent of the Operator and as set out therein, and in any case, the use of part of the park by recreational sportspersons must continue to be free of charge and without restriction.

23) By using the park and its facilities, the user acknowledges that he/she has read and understood the rules of use (rules of the park) and that he/she will abide by them. Failure to comply with the rules may result in exclusion from the pitch and the initiation of infringement proceedings. The operator reserves the right to amend and modify these rules. We ask our visitors to contribute to the efficient operation of the pitch by observing and enforcing the rules and regulations and by behaving in a sportsmanlike manner.

We wish all those interested a pleasant stay and meaningful entertainment!
